CITY OF POPLARVILLE LIMB PICK UP POLICY

Limbs and leaves are picked up by the city crew on Thursdays, following payment.

NO bags are allowed.

Leaves will **NOT** be vacuumed.

Fee must be paid on or before Wednesday at 5:00 p.m. for pick up on Thursday.

Limbs are picked up inside city limits only.

Limbs and leaves must be placed by the curb on the right-of-way, **AWAY** from any fire hydrants or water meters; city crew cannot enter private property.

Limb pile must be free of any debris, refuse, or trash. Limbs will **NOT** be picked up from a mixed pile.

If the limb pile is greater than size paid for, **ONLY** the size paid for will be picked up; upon payment for the additional pile, limbs will be picked up the following week. If two trips are made, these will be considered separate trips; previous payment is **NOT** applied to the second trip. Payment shall be made for the appropriate size load of the second trip.

Maximum length of limbs is ten feet.

If the diameter of limbs is larger than twelve inches the crew will have to look at the length and size to be picked up **PRIOR** to payment or scheduling of pick up.

Any limbs too large to pick up by hand will be charged as a large load due to the necessity of a backhoe and large truck.

If paying online for limb pickup, you **MUST** notify city hall personnel in order to schedule the limb pickup so that your limbs are not picked up prior to the completion of your cleanup project.
